- Wednesday 19 February 2025
- Thursday 20 February 2025
- Wednesday 26 February 2025
- Thursday 27 February 2025
- Wednesday 5 March 2025
- Thursday 6 March 2025
- Wednesday 12 March 2025
- Thursday 13 March 2025

WHERE:

Waipara Winehouse
780 Glasnevin Road, Waipara
(entry opposite Georges Road)

NO BOOKINGS NEEDED:

The trial operates on a 'first-come, first-served' basis; short wait times may occur during busy periods.

Visit agrecovery.co.nz for more information

ACCEPTANCE CRITERIA

Proper presentation of plastic is essential. Please ensure you follow the criteria below or your plastic may be rejected. Agrecovery reserves the right to decline any plastic that is deemed to be not acceptable.

✓ PREP YOUR PLASTIC:

- Ensure all plastic is clean and free of contaminants and excessive dirt.
- Plastic must be separated into product types.
- Where possible, separate outer and inner wrap linings.
- Bale wrap to be delivered loose or in Plasback or Agrecovery liners. (Please see website for details on where to get liners)
- Silage pit covers tied up as manageable 2 metre bundles.
- Irrigation pipe rolled into coils or cut into 1 metre lengths.

✗ PLEASE NO:

- Household, construction or industry plastic or rubbish
- Stones and excessive dirt
- Tape (sealing bale wrap tears)
- Metal (wire etc.)
- Effluent pipe
- Netting

✗ WHAT IS CONTAMINATION?

Contamination in recycling such as dirt, stones, wire, excessive residues, and mixed plastics, can pose health and safety risks, damage processing equipment and prevent materials from being accepted for recycling.

ABOUT THE PILOT:

Agrecovery operates the only nationwide agricultural recycling programme accredited by the Minister for the Environment. This pilot is testing the design and implementation of the Green-farms Product Stewardship Scheme - a nationwide regulated scheme for the recovery of all farm plastics.
